

## Fireworks Display Will Be Staged On Lake July 4th

Elaborate Display Planned As Area Prepares To Observe Fourth

Rex Reid, president of the Truckee Chamber of Commerce and chairman of the fireworks committee, announced this week that all is in readiness for the display to be staged on Donner Lake the evening of the Fourth of July.

The actual time of the first blast from the big assortment of pyrotechnic items will depend, Reid said, upon the time of sufficient darkness to make the display effective.

The raft from which the display will be exhibited will be located near the south shore about halfway between the west and east end of the lake and thus give a wider view to more spectators. Assisting Reid on the committee will be Earl Stice.

As a courtesy to the chamber and to those who desire to witness the display from the popular west end beach, Parker Adkisson of the Donner Lake Development Company, said the beach, recently fenced, would be opened between 6 and 11 p.m. without charge and that all are welcome to park and view the show from there.

The U.S. Forest Service is co-operating with the chamber and while demanding all the necessary permits, insurances, etc. will stand by to assist with the program.

Everyone in the area is invited to witness the annual fireworks display as guests of the chamber.

## Man Survives As Both Legs Severed

With both legs severed, Joseph Lopez, 30-year-old transient laborer from Santa Rosa, New Mexico, lay beside the Southern Pacific track five miles west of Truckee Saturday morning for three hours before he was discovered and rushed to the Tahoe Forest Hospital.

Lopez evidently had fallen from an east-bound freight train and the wheels of the train ran over his legs, crushing the left one near the hip and the right one just above the ankle.

The accident occurred at 2:30 a.m. and Lopez was taken to the hospital where after emergency amputation of both limbs, he was removed to the Veterans Hospital at Reno where his chance of survival were reported fair.

Deputy Sheriff Roy Waters was called to make the investigation, and reported it was a near miracle that the victim survived because of the gravity of the injuries.

## INCREASES IN POSTAL FEE ARE ANNOUNCED

The post office department has announced that effective July 1, there will be an advance in fees for special services, such as registered, certified, insured, special delivery, special handling mail and fees on money orders.

Patrons are requested to consult the local post office for new rates.

## RICHARD SWANSON IS NEW ROTARY PREXY

Richard C. Swanson was installed as president of the Truckee Rotary Club at Monday's meeting at Donner Lake Lodge. He replaces R. R. Frank who was installed as the new club secretary.

The annual demotion and ladies' night was enlivened by a four-piece orchestra from a North Tahoe resort. Bruno G. Bellotti of the Bank of America staff was inducted as a new member of the club.

Visiting Rotarians included Melvin Pinkham, Charles B. Cross, George Meade, James Martin and Ric Giannini of Tahoe City. Other guests were Mr. and Mrs. C. Z. Smith, Mr. and Mrs. Lee Apple, Mr. and Mrs. G. Waters and Mr. and Mrs. John Trauner, the latter from Nevada City.

## MAIN STREET WILL BE CLEANED TOMORROW

Tomorrow morning at 6 a.m. the state division of highways will clean both sides of the main street in downtown Truckee.

Any vehicle parked in the area at that time will be towed away to clear the road for action. "No parking" signs will be prominently placed to notify vehicle drivers, it was announced.

## John Wallers Are Parents Of New Son At Hospital

Mr. and Mrs. John Waller of Truckee welcomed their son on June 19 at Tahoe Forest Hospital. Daniel John, as the little boy was named weighed in at seven and a half pounds.

Mr. and Mrs. Clarence Osburn are his maternal grandparents.

Club Hostess—Mrs. G. E. Lewis was hostess on June 17 to her card club group.

## New Book Gives Living History Of Lake Tahoe Area

It took E. B. (Bud) Scott six years—more than 9000 working hours to compile his first book, "The Saga of Lake Tahoe," but the product is worthy of the effort.

"The Saga of Lake Tahoe" is no ordinary volume. It is not a run-of-the-mill, catch-as-catch-can story, but a detailed historical saga of nature's most incomparable wonderland and its pioneers.

Every page reflects the author's desire to present the glory that was and is Tahoe's. It is a complete documentation of the development of the lake for more than 100 years.

The story is illustrated by 248 pictures. Not ordinary photographs, as one would expect, but those taken of scenes and incidents before the turn of the century. Well preserved glass negatives showing the very first pictures ever taken of the early pioneers, the old railroads, boats and other interesting relics.

Not only is "Saga" a masterpiece of detail and factual literature, it is beautiful volume, and designed for permanency. Its book size, 8 1/2 by 11, 520 pages are jammed full of interest not alone to those familiar with the lore that is Tahoe's but is arranged to create wide and varied interest.

The very cream of the 100 years of history, the essence of historical lore and only the finest and most interesting photographs, have gone into the production and the author is to be highly congratulated for the results of his untiring efforts.

Only 750 volumes were in the first edition and are being sold in limited numbers. While the second edition is currently being planned, it can never live up to the high mark set by Edition No. 1.

We would say unreservedly that "The Saga of Lake Tahoe" is a must for collectors, historians and those who appreciate good books.

## TOM GROW HEADS LOCAL 20-30 CLUB

Tom Grow was elected president of the Truckee 20-30 Club at the annual election of officers held at the Ram Head Cafe Wednesday evening. He replaced Ken Gordon, past president.

Others elected were Dick Stone-sifer, vice president and Joe Copeland, sergeant at arms. Installation will be held July 19.

## OUTDOOR SPORTS TO ENJOY ANNUAL TREK

Members and guests of the Truckee Outdoor Sportsmen and their families plan to leave at 8 a.m. Saturday for the annual back-country weekend outing.

Charles Osburn, who is heading the group this year will go either to White Rock or Meadow Lake. The two days will be spent fishing, swimming, loafing and picnicking and the group will return home Sunday evening.

It was pointed out that only four-wheel drive vehicles can make the trip and those wishing to participate either with or without transportation should connect Osburn for details.

## REV. AUBREY CLARK TO BE MINISTER HERE

Rev. Aubrey H. Clark of Redwood City has arrived to deliver his first sermon in the Methodist Church on Sunday, June 30.

Rev. Clark is a temporary summer replacement for Rev. Wesley Osman, who was recently assigned to a church at Riverbank. A full-time pastor is expected to be assigned here this fall.

## Deep Sea Film Shown At Meeting Of Lodge Here

Fifty members and guests attended the June 14 dinner meet at Naomi Rebekah Lodge No. 2, and Odd Fellows. Wayne Philippi showed an interesting deep sea film, during the program.

Mrs. Rex Reid presided at the June 12 meeting of the women's lodge when Mrs. Dan Horman and Mrs. Chas. Vind, delegates to the recent Fresno assembly told of the event.

Mrs. Vind and Mrs. R. Russell served refreshments.

See Disneyland—Mr. and Mrs. W. P. Worsham with Sharon, Dan and Candy Worsham enjoyed a trip to Disneyland.

## Berliner Selected To Replace Stoll As D.A. Of County

Nevada City Attorney Wins Appointment In Close Vote By Board

In a close roll-call vote last Thursday afternoon, the Nevada County Board of Supervisors appointed Harold A. Berliner, Nevada City attorney, to succeed Vernon Stoll as district attorney.

Berliner, who was a candidate for the post he now occupies at the general election two years ago, won the appointment over Leo Todd, assistance district attorney under Stoll, with Board Chairman G. Loehr of Truckee casting the deciding ballot.

Supervisors Mosco Smart, Jay Coughlan and Loehr voted for Berliner with W. W. Bishop and Guy N. Robinson voting for Todd.

The new district attorney has been practicing law in Nevada City for the past six years. He is a graduate of Notre Dame Law School and a native of San Francisco.

Berliner has been active in civic projects throughout the county and has served on the school board in Nevada City and as chairman of the Red Cross. He is 34 years of age, married and has six children.

In the recent election Berliner was edged out by a slim margin by Stoll. The latter was recently appointed by Gov. Goodwin J. Knight to succeed Judge James Snell on the superior court bench after the latter's retirement from the post.

Berliner was enthusiastic over his appointment and pledged himself to doing a creditable job as district attorney.

## Warning Issued On Shooting Fireworks

The discharge of fireworks on the National Forest has always been illegal and its enforcement will be strictly enforced, the U.S. Forest Service warns.

In addition to this regulation the State of California has enacted new legislation under the health and safety code which governs the sale, possession, discharge, display, or transportation of fireworks on private land, Nelson Stone, assistant ranger, said.

Section 12600 of the health and safety code states:

- No person, without securing a permit shall do any of the following:
- (a) Possess or sell any fireworks at wholesale or retail for any use.
  - (b) Make a public display of fireworks.

Continued On Page Eight

## MOTHER OF TRUCKEE MAN DIES AT CAPITAL

Mr. and Mrs. Lorrin Ferdinand, Jr., attended services held at Sacramento Monday for his mother, Mrs. Irene Ferdinand, who died following a lengthy illness. Burial followed in East Lawn Cemetery.

The deceased had been a finance department employee of McClellan Air Force Base and was a member of the Auxiliary of Veterans of Foreign Wars Post No. 698 and Golden Empire Unit No. 99 Auxiliary of the Military Order of the Purple Heart.

Other survivors include her husband, Lorrin W., two daughters, seven sisters and brothers and four grandchildren.

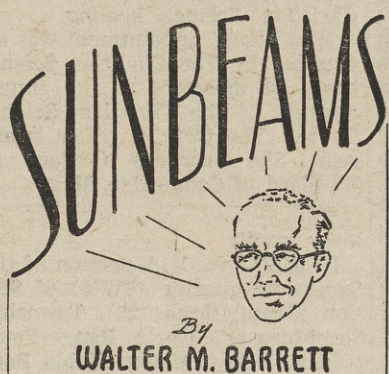

## Favan Cooks Of Tahoe Parents Of Infant Son

Mr. and Mrs. Favan Cook of Tahoe City greeted Rickie Fontaine Cook at the local hospital last Thursday. The young man weighed eight pounds, two ounces upon arrival.

## Nevada City Man Named To County Road Position

Selected from a group of eight applicants, including T. T. Buell, former Truckee resident and division of highways superintendent, whose retirement is soon effective, Robert K. Graham, Nevada City sawmill and logging operator, was chosen as county road commissioner by the board of supervisors last Thursday.

Charles Smith has resigned the post effective June 30 and will become road commissioner of Sierra County July 15.

It may be a big thrill for power boat operators to see how close they can come to a beach bather or a small boat without hitting them, but for the bather and the small boat operator it is not a thrill but a highly dangerous and entirely unnecessary threat. There are laws, of course, to prevent this silly practice by the sadistic hoodlums, but like the highway speed laws, too little attention is given. There have been many tragic accidents caused by carelessness with boats, just as there have been carelessness with cars and we would like to suggest that penalties for violations on the local lakes—both Donner and Tahoe—be stretched to the maximum. There is plenty of open water for testing out speed and accuracy of steering without trying to frighten some helpless child by seeing how close to him you can come. A continuation of this stupid maneuvering is sure to result in tragedy.

## Third Deputy For Truckee Approved

At the request of Sheriff Wayne Brown and Supervisor H. G. Loehr, the board of supervisors yesterday authorized the employment of a third deputy sheriff for the eastern end of Nevada County. No candidate for the post was mentioned. The job pays \$310 to start with raises assured immediately. The two present deputies are Roy Waters and dEmery Lander.

## WORK ON RENO ROAD TO HALT FOR FOURTH

Roadway construction between Floriston and the California-Nevada stateline on Highway U.S. 40, which has been causing random 30-minute delays, will be suspended from 3:30 p.m. on July 3rd to 6 a.m., July 8th, Ed Jolley, superintendent for Gibbon and Reed Company, contractors for the project, announced today.

The suspension of work from early Wednesday afternoon over the long weekend is being made to accommodate the thousands of motorists who are expected to use the route during this period. Some minor work may be done during these days, but nothing will be attempted that will interfere with the continuous flow of holiday traffic, Jolley said.

## Eugene Ginis Are Parents Of Baby Son At Hospital

Mr. and Mrs. Eugene S. Gini became the proud parents of a son born June 22 in the Tahoe Forest Hospital.

The boy has been given the name of Eugene S. Gini, Jr., and weighed slightly over eight pounds on arrival.

Mr. and Mrs. G. Gini of Truckee are the newcomers' paternal grandparents.

## Karen Smart Elected To Head Local Girls Group

Karen Smart was elected to the office of royal princess at the Wednesday meeting of the Donner Council Pythian Sunshine Girls.

Nona Rae Coffey presided in the absence of Sheri Curran when the girls met at a busy session.

Other officers for the coming year will be announced later, according to Pearl Heller, advisor for the group.

## Invited To Dance

Folk and square dancers from this area have been invited to attend the Folk Dance Festival to be held in conjunction with the annual Nevada City-Grass Valley 4th of July celebration. The dance will be held in the Memorial auditorium on Friday, July 5th from 8 p.m. to midnight.

## To Canada—

Mr. and Mrs. H. I. Snider of Santa Cruz plan to soon leave for a trip to Canada, returning by way of Glacier Park. The couple visited the Dave Rose family last week and attended to business in this vicinity.

## C. Z. Smith Buys Little Insurance Agency In Truckee

Mrs. Gertrude Thatcher this week announced the sale of the R. N. Little Insurance Agency to C. Z. Smith, a Truckee insurance agent for the past year, who took over his new business yesterday.

The well established agency was founded by the late R. N. Little a number of years ago and upon the death of the founder two months ago, was continued by Mrs. Thatcher who had been associated with Little for some time.

Mrs. Thatcher said she will continue to be associated with the firm temporarily but plans to leave and enjoy a thorough rest before re-entering business or seeking employment.

Prior to coming to Truckee to make his home some months ago, Smith was engaged in the insurance business at Sacramento. He sold his interests there to come to Truckee and opened the C. Z. Smith agency which he operated from his home at the Curran Building. He is married and has three children.

The new owner expressed confidence in the future of the area and was pleased to announce the purchase of the Little agency. The same policy of service upon which the late founder built the business will be continued, Smith declared.

Offices are located on the second floor of the Masonic Building in Truckee.

In making the announcement of the sale, Mrs. Thatcher expressed her appreciation to the many local friends who have assisted her during the brief regime she conducted the business.

## 150 ATTEND MEETING OF DONNER GROUP

The initial meeting to form the Donner Lake property owners association was held June 23 on the lawn of Donner Lake Lodge and attended by 150 interested residents of the area.

Mrs. W. C. Creagan of Sparks, Nev., was named the first president of the new organization, John Thompson of Canoga Park is first vice president, Carson White of Walnut Creek, second vice president; Henry Mockel of Oakland, treasurer; Mildred Estes of Sacramento, was named secretary.

## Kenneth Snider Will Wed Marian Schuman Soon

The engagement of Miss Marian Schuman and Kenneth Snider was announced last week, the ceremony to take place August 10 at Sacramento.

The bride-elect is a resident of Sacramento and employed by the Bell Telephone Company in the capital city.

Snider, son of Mr. and Mrs. H. I. Snider of Santa Cruz and brother of Mrs. Dave Rose, is well known here where he attended school and was formerly employed. He is now with Aero Jet and it is believed the young couple will make their home in Sacramento, following the marriage.

## Five Are Injured In Two Car Accidents This Week

Five people were injured, none seriously, in two vehicle accidents reported by the California Highway Patrol during the weekend.

Peter F. Brunsard, 19, and Edward C. Ledger, 18, both of Reno, escaped serious injury when the car driven by the former failed to make a turn at Hobart Mills and overturned.

Vada June Boness, 60, was cited for speeding and following too close after her car crashed into one driven by F. M. Goode, Orem, Utah, which had stopped behind a car operated by James W. Ussery, Delano, just east of Truckee Sunday morning. Both the Goode car occupants and those in the Ussery machine suffered minor injuries.

## Opposes Bay Bridge

BISHOP—Opposition to the construction of a bridge across the mouth of Emerald Bay at Lake Tahoe was expressed here during a convention of the California division of the Isaac Walton League of America, held June 15.

At Smart's—Miss Lorraine Johnson of the bay district is employed at Smart's for the summer season.

California's grasslands are turning brown; the fire season has arrived; be careful with matches and smokes.

## Beach Fencing Is Explained Before Chamber Meeting

Owners Plan To Improve Area As Playground For Community

The fencing of the west end of Donner Lake, including the popular beach, was done not to prevent its use but to prevent its destruction and to provide the community with a valuable and enjoyable asset.

This is the side of the story told by Parker Adkisson, representing the Donner Lake Development Company, at a meeting of the Truckee Chamber of Commerce directors at Smart's yesterday.

Adkisson said that plans call for the installation of picnic and barbecue facilities, a children's playground, tennis courts, softball diamond and other facilities to make the area desirable and worth much more than the charge now being made for admission.

He explained that the cost of maintaining the beach during the summer is almost prohibitive without some income to help offset the expenditure. He cited, as an example, that repair of the comfort station alone this spring was in excess of \$1200. The cost of cleaning the beach and keeping the debris removed costs the company more than \$60 a week and no provision is made for policing the area as long as it remained open.

The fence cost over \$5000, he said. Swimming areas will be designated and carefully buoyed, diving rafts will be provided and boat launchings will be available.

Adkisson said that in his opinion, the new services offered will prove a real attraction and this was agreed to by the directors present.

A schedule of rates for use of the beach may be found elsewhere in this newspaper.

## State Busy With Right of Way Work

Confusion and apprehension resulting from a previous announcement by representatives of the division of highways that owners of homes in the area being taken over for a right-of-way for the new freeway must vacate their property by September 1, was explained more fully this week by Gilbert Mulcahy, right-of-way agent from Marysville.

While it is desired that owners of affected property be relocated as soon as possible, the division is making acceptations where necessary and where a hardship on the present owner might result from being required to vacate by September 1.

Mulcahy said that exception will be made in these instances up to May or June of next year, although the state must acquire ownership by September so that contracts can be awarded as soon as possible.

Much of the appraisal work has been completed by the state, but the area from Donner Monument to McIver's is still pending, as well as a few isolated areas east of there. No financial agreements have been definitely determined but this step is expected to be taken soon.

Mulcahy also revealed that his division will take steps to secure rights-of-way for fishermen along Donner Creek which will be re-channelled south of the new freeway. He said his division is anxious to protect the best interests of the sportsmen and the fish and game department is cooperating in the plan.

## District Chambers Will Hold Meeting Friday

The Lake Tahoe Sierra Chamber of Commerce is having a joint meeting with Truckee, Reno, Sacramento, Carson City and South Lake Tahoe Chambers, Friday, June 28 at Camp Richardson. Cocktail hour at six, dinner at seven.

Fred Schultz, president of the Lake Tahoe group, made the announcement and is urging a big attendance.

## Board To Meet

On the first three Mondays of July the Nevada County Board of Supervisors will sit as a board of equalization and hold public hearings on the tax roll which is currently being compiled in the county assessor's office.

## July 1 Set As Final Date For Poulsen Decision In Squaw

Small Land Area Remains Only Barrier In Game Preparation

A dispute over the unrestricted use of a strip of land 200 feet wide and 700 feet long by the California Olympic Commission for staging the 1960 Winter Olympic Games seems to stand as the only barrier in awarding contracts for the first phase of the facilities construction at Squaw Valley.

The land in question belongs to Mr. and Mrs. Wayne Paulsen and is declared by engineers as needed as a ski jump runoff at the bottom of Papoose Hill. The Paulsens apparently will lease the land under a 30-year agreement, but request that it be used exclusively for the purpose for which it is presently needed.

This, in the opinion of the Olympic planning officials, might restrict the operation of the facilities by the state during and following the games.

As a result of the controversy which featured a meeting of the commission in the state building at San Francisco last Thursday morning, the commission chairman, Charles R. Blyth, gave the Paulsens until July 1 to decide whether or not they will sign the lease agreement. If not, two alternatives loom as possibilities—either the right of eminent domain, granted by the recent legislature and Gov. Goodwin J. Knight will be exercised or the games will be cancelled.

The latter course seems entirely unlikely as the differences are so trivial that it seems improbable a program of this magnitude could hinge on such a frail matter. While the eminent domain angle might be required it is hoped this can be avoided as it would further delay actual construction.

Other matters cleared at the meeting included:

Continuation of a master contract with the Organizing Committee, headed by Prentice Hale, to permit that group to plan, build facilities and stage the games.

Leases signed with Kuhn & Miller for bobsled run.

Renewed agreement with Skidmore, Owings & Merrill, for architectural consulting services.

Agreement with state department of finance for accounting services for the next year.

Award of contract for construction of ski lift.

Authority to secure easements for cross-country ski courses.

Adoption of agreement with U.S. Forest Service for snow safety plan.

Given Authority

The commission authorized its chairman, Blyth, to sign agreements with Mr. and Mrs. Poulsen up to July 1 for leases on required lands and to sign a contract with the Southern California combine of diversified builders and the Macco Corporation of Paramount for the first phase of the construction to cost \$3,900,000.

Members of the commission present were Blyth, Reese Taylor, Stephen Royce, Walter Barrett and Allan Christenson.

## LAST RITES ARE HELD FOR MRS. IVY DIXON

Graveside rites were held at the Truckee Cemetery Tuesday for Mrs. Ivy Dixon, for many years a resident of Truckee who expired at the Nevada County Hospital Sunday. She had been a patient at the hospital for three years.

Mrs. Dixon, a native of California, was born August 12, 1895 and was 61 years of age.

She is survived by three children, Miss Betty Kennedy, Jack Kennedy and Ray Dixon, all residents of Truckee.

The Truckee Colonial Mortuary had charge of the arrangements.

## Diane Daly Is Honored On Seventh Birthdate

Diane Daly was honored on her seventh birthday in the home of her parents, Mr. and Mrs. Derrold Daly.

Those attending were Beverly and Bruce King, Anne Hackett, Susie Olan, Jennifer O'Beir, Susan Schuler, Kathy and Carol Hart, Mike Davis, George Franceschini, Karen Hedlund, Pamela and Donna Horman and Linda Kay Giboney of Marysville and Gail and David Daly, sister and brother of the honored guest.

Mrs. Yolanda Olan assisted Mrs. Daly with serving refreshments.

## Resident of Meadow Park Dies Following Attack

Forest B. Raber, 57, who has been making his home at Meadow Park, expired yesterday morning following a heart attack. The body is being shipped to Oakland for interment by the Truckee Colonial Mortuary.

Raber is survived by his wife, Anna May Raber, of Oakland and a daughter, Mrs. Charlotte Bernhart of Walnut Creek.

## MABLE ELLEN LUCAS NEW CHURCH HEAD

Miss Mabel Ellen Lucas of Brookline, Mass., has been named president of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., it was announced today.

Active in various capacities in the Christian Science movement, she is a native of Idaho and grew up in Spokane, Wash. She joined The Mother Church in 1906 and for many years has devoted her full time to the public practice of Christian Science healing.

Miss Lucas' appointment was announced by The Christian Science board of directors at the annual meeting of the Christian Science Church. The term of office is one year. She succeeds Clifford A. Woodard of Cambridge, Mass.

lows, to-wit:

PARCEL No. 1: A portion of the Southwest quarter (SW $\frac{1}{4}$ ) of Section Twenty-three (23) Township Seventeen (17) North, Range Fourteen (14) East, Mount Diablo Base and Meridian, described as follows:

Beginning at a point in the South line of State Highway (U.S. Highway 40) as delineated upon the plans of the Survey between  $\frac{1}{2}$  mile West of Soda Springs and Donner Summit, Road III-Nev-Pla 37-B as said plans were approved on September 19, 1936; from which point the quarter corner on the West line of Section 23, Township 17 North, Range 14 East, M.D.B. & M., bears North 51.99 feet; and running thence along the South line of said Highway on the arc to a curve to the left whose radius is 1040 feet, said arc being represented by the chord whose bearing and distance is South 87° 35' 30" East 310.23 feet; thence along the South line of said Highway North 83° 50' East 226.52 feet to the West line of the property described in deed of Jones to Vail, recorded October 18, 1946, in Book "107" of Official Records, at page 333; thence along the West line of said Vail property South 6° 10' East 97 feet, more or less, to the North line of the Central Pacific Railway right of way; thence Westerly along the North line of said railway right of way a distance of 548 feet, more or less, to the West line of Section 23, thence Northerly along the West line of said Section 23 a distance of 133 feet, more or less, to an angle point in the South line of said Highway; thence North along the South line of said Highway a distance of 10.18 feet to the point of beginning.

PARCEL No. 2: All that certain property being in the Southwest quarter (SW $\frac{1}{4}$ ) of the Northwest quarter (NW $\frac{1}{4}$ ) of Section Twenty-three (23), Township Seventeen (17) North, Range Fourteen (14) East, M.D.B. & M., described as follows, viz:

Beginning at the Southwest corner of the lot herein described, a hub set flush in the ground on the Northerly right of way line of the State Highway, from which the point for the quarter section corner between Sections 22 and 23, Township 17 North, Range 14 East, M.D.M., bears South 85° 40' West 472.93 feet; thence North 6° 10' West 250.00 feet to the Northwest corner of the lot herein described, a pipe 1 inch in diameter, thence North 83° 50' East 137.90 feet to the Northeast corner, a pipe 1 inch in diameter; thence South 6° 10' East 250.00 feet to the Southeast corner, a hub set flush in the ground on the Northerly right of way line of said State Highway; thence South 83° 50' West 137.90 feet to the Southwest corner, the place of beginning.

Said sale will be made without covenant or warranty regarding title, possession or encumbrances to satisfy the obligation secured by and pursuant to the power of sale conferred in a certain deed of trust executed by BRANT M. CHAP-

## SMITH DENIES MISUSE OF COUNTY MONEYS

NEVADA CITY—Public denial of alleged rumors he misused county funds was made at a meeting of the board of supervisors Friday by Charles Smith, county road commissioner, who has resigned effective June 30. Smith has accepted the position of road commissioner for Sierra County beginning July 15.

Smith said he had understood that one or more of the supervisors had said he had "misused" county money and that all checks to his department are made payable to the county treasurer.

He told the board that he had heard of this rumor when he had been interviewed for the Sierra County position and that he intended to ask the supervisors there who had made the statement, as he did not "want to take a job with a stain on his name."

"Rest assured I'm going to run it down," he said, and noted he had advised the district attorney of it.

Smith invited the supervisors and any members of the public to come into his office any time and check his records completely.

Only question of Smith was then made by Mosco Smart, first district supervisor, who inquired about "hauling checks" and asked "why did someone in your office receive checks in January and February but not deposit them until they learned I was making an investigation." He also said the checks were not made payable to the county treasurer.

Smart refused to say what the checks were but after both consulted openly with the district attorney they agreed to get together in Smith's office with Vernon Stoll.

Board Chairman Henry Loehr then noted that when the matter is straightened out the board will clear it completely.

A charter member of the Christian Science organization at Simmons College, she has served as second reader of a branch church and also has been a member of the bible lesson committee which prepares the lesson-sermons used by all Christian Science Churches for their Sunday services.

**Water Director Views  
Legislative Inaction  
With Critical Eye**

SONORA —(CNS)— State Director of Water Resources Harvey O. Banks charged Saturday that the legislatures failure to appropriate money for continuing the Feather River Project will result in a delay in completion of the project of at least one year. Banks made the remarks at the dedication of the Tri-Dam project of the South San Joaquin and Oakdale Irrigation Districts at Beardsley Dam near Sonora. "It is not a particularly bright picture, especially for those areas badly in need of water today," Banks said. "Neither is it as dark as some have painted, for sheer necessity will, before too long, bring divergent viewpoints together in a statewide water development program."

Although the legislature tried until within two minutes of the midnight adjournment of June 12, no agreement could be reached on an appropriation for either the

**Carol Ann Wilson To  
Wed James Silverman**

TAHOE CITY—Miss Carol Ann Wilson, daughter of Mr. and Mrs. Ivan Wilson, of Lake Forest and Tahoe Pines, announced her engagement last week at a family dinner party at the home of Mr. and Mrs. Sigmund Silverman in Sacramento. Silvermans are parents of the young groom-to-be, James Robert Silverman. Carol is a graduate of Tahoe Truckee High and of Sacramento Junior College where she met Silverman. She now attends Sacramento State where she is very active in music and speech activities. This last year she was director of the college TV program on Channel 10 called "Campus Round Up" and also took part in dramatic productions. She is a member of several musical fraternities and sororities on both campuses and plays in the State College Orchestra as pianist. She was also head majorette at Sacramento Junior College and won a badminton tournament there. An interest in sports and music brought the young couple together. Jim plays the trumpet in Buddy Harphans Orchestra and has played in the Sacramento City Symphony. He is a member of the Phi Lambda Ipsilon fraternity, a na-

**BAY MAN EXPIRES  
AT CARNELIAN BAY**

TAHOE CITY—On Thursday, June 20, Mrs. Thomas Elwell of San Carlos, called Bill Conners, Tahoe City businessman, to kindly visit the Elwell summer home at Carnelian Bay and see if her husband was alright. He did not return to her as he had promised. Conners called Constable Harry Johnson of Tahoe City who investigated. When there was no answer at 7:40 p.m. to his knock, even though the radio was going, he gained entrance only to find the missing man dead in his bed. Cause of death is not known at this writing. He was 55 years old and was a linotype operator for the San Francisco Examiner.

An entire wing of the Metropolitan Museum of Art in New York City is devoted to American decorative arts.

## STRICTLY STRICKLAND

By Bill Strickland

The shortcomings of the human race were in evidence again yesterday. Our front porch overlooks the intersection of Highway 40 and the county road that leads back to Ice Lakes, the Cedars, Wabena Creek and Meadows and ultimately the American River Canyon. Anyway about 4 p.m., several forest service trucks with sirens wideopen, roared up 40 and headed into the back country. Sure enough over the top of Beacon Hill were thin ribbons of smoke. Evidence that someone who had been fishing or had camped out had not

Mr. and Mrs. William Tamblin of Nevada City have returned to Kings Beach and the William Schumacher address has been changed from Iowa to the same place.

From Santa Barbara to Crystal

observed the forestry rules for fire. Sometimes these fires are caused from other sources, but we haven't had a storm or lightning for several weeks now, so this one was, of a certainty, caused by humans.

When you've lived in this wonderful country for 20 or 30 years, and have seen the beauty of it in all of the different seasons of the year, it makes you a little sick to see it again after the devastation of a fire. There is certainly no semblance of the before, after. Not only has the forest been burned and charred, but a lot of wild life has been destroyed.

A lot of people are still not aware that they, through their carelessness, are also responsible for the damages and the cost of putting the fires out. Not too long ago a couple of fishermen left a campfire smoldering. A little wind fanned it, and before long quite a fire was going. Two weeks and about 160 acres later the fire was finally put out.

The forestry department started looking for evidence. They found the pile of cans that are always tossed to one side by most campers and fishermen. Some of the cans had some pretty good fingerprints on them. As a result they were able to trace the people who had been in the camp, and found that, sure enough, they had left a live campfire and were the ones responsible. Just the cost of wages and equipment must have been a staggering sum, but the value of the timber destroyed added to it will probably prevent that group from vacationing in the mountains again. I'd certainly hate to have it billed to me.

The four-laning of the highway in this section is progressing very rapidly. We've had an opportunity to hear the opinions and comments of the traveling public at the several traffic control points, and believe it or not, very few of them are opposed to the short delays—quite a few have stated that it will be worth almost any inconvenience to be able to drive it later on without the delays that are now prevalent.

Brad Board is, this summer, building two new homes in the Sugar Bowl for stockholders. Brad has been a part of the S.B. operation for several years, and it now looks like he is really coming into his own. He has finished his tyrolean type house just up the road from us. You'll look a long way to find a better construction job.

Harry Tackett and his wife had a close call Friday night. They were returning home from Truckee about 8 p.m. when the jeep they were driving was smacked almost broadside by an east-bound car. The Soda Springs strip has a 45-mile zone, but not all the travelers observe the speed limit. Anyway, Harry zigged when he should have zagged. Result quite a few bumps and bruises.

That time of year has rolled around again where the vacations of the parents has ended for three months. Yep! schools out. Every parent, having been nine years old once, should know the answers, but I for one am stumped. Almost every morning for the past week, my nine-year-old has exhausted everything to do by 10 a.m. So he turns to me and says: "What can I do, Daddy?" After seven days I've exhausted my limited supply of answers. How about starting a 4-H Club for this area?

### LAKE LEVEL

TAHOE CITY—With only 34 cfs of water leaving the gates, the level of Lake Tahoe Monday stood at 6229.05 feet. The temperature for the past week ranged from a warm 80 degrees on Sunday to a cool 41 degrees last Friday.

Bay, Nev., are the John Dixon family.

The Col. R. C. Jones place at Carnelian Bay is now open for the season.

Mr. and Mrs. Albert Lang of Fresno have arrived at Tahoe City, remaining most of the summer.

Mr. and Mrs. Fred D. Hatfield, Los Angeles, will be vacationing at Carnelian Bay until September.

J. E. Brown of San Leandro is now at Kings Beach.

### NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES

## NORTH TAHOE

By JUDGE HARRY CHARRISON

### Down We Go

Friday morning the first day of summer, and the longest day of the year. Now we start to lose a minute a day and they sure tick away too. Before we know it we shall be stacking up the woodpile. What fun keeping the fireplace going.

### Engagement

Happy to hear of the engagement of our teacher of Kings Beach, Elrose Knudsen to Tom Louderback. Elrose says there is no date set for the happy event, but it will be in the near future. Congratulations to both of them.

### Visiting

Arnold and Sophie Miedema were here for a few enjoyable days. They are presently living at San Pedro where they have built a beautiful home, but these few days seem to have made them quite lake-minded again.

### Golf

We made quite a good grandstand seat to watch the players of the golf tournament for three days over the weekend. The course was like a beehive and the weather was perfect. Sunday afternoon there was a tie and they had to resort to a sudden death play in which Pete Fleming defeated Tony Lemos. A gallery of about 100 followed the players.

### Dear Little Deer

As Hank Gall was traveling over the shortcut last week, he spied a newly born fawn in the middle of the road. The mother deer had probably been hit by a car. Anyway Hank picked up the little deer, and after calling Erv Single he may keep him til the deer season. They have named it Buck Shot and he may be seen at Bob Davis' at the Pine Cone, Kings Beach. It has already become a real pet, and has lots of fun.

### Visitor

Had a delightful visit with Mrs. Jack (Ila) Braden during the past week. It was her first visit here since her husband's death some weeks ago and we are pleased to know that she intends to return for a vacation later in the summer. Mrs. Braden is now in Sacramento.

### In Hospital

We were very sorry to know that Ruth Mizner has been in the Washoe Hospital in Reno for a short while, but, according to Willis, she is making some improvement and may be home by the time this issue comes. We sincerely hope this will be the case.

### Checkup

And then there is Mrs. Ray Bergman who has been in the Stanford Hospital. It is hoped that the thorough checkup proves that there is not too much wrong.

### Another Building

One of the fastest buildings to go up is the big motel being built by the Frank Tarzaks. It is a big one and it will be a big asset to the already built-up Sandy Beach.

### Returns

Davey Ashton has returned from a two weeks cruise with the U.S. Navy. He went out from Long Beach on a destroyer. He said if only he could have stopped the boat from rolling the seasickness wouldn't have been half so bad. There was a lot of fun on a visit to Treasure Island, and in Long Beach, but he's not sure that he wants to become an admiral.

### In Court

Here are a few cases disposed of in the Tahoe Judicial District Court during the past week.

Joseph V. Dillinger, charged with being drunk and disorderly, arrested by Constable Lavery, sentenced to 30 days in county jail.

Charles Wilson Farr, charged with being drunk on public street, arrested by Constable Lavery, sentenced to 30 days in jail.

Orville Rayburn, drunk, arrested by Constable Lavery, sentenced to 30 days in jail.

Robert Boyer, malicious mischief, fined \$50.

Kenneth Teleson, drunk, arrested by Deputy Rabaska, sentenced to 30 days in jail.

Roderick L. Ruckle, drunk driving, fined \$263.

Ralph Leo Rowen, drunk, sentenced to 30 days in jail.

A. J. Neustader, drunk, fined \$50.

### KINGS BEACH COMMUNITY METHODIST CHURCH

Earl L. Languth, pastor. Sunday school, 9:45 a.m. Services, 11 a.m. Woman's Society of Christian Service, Millie Chastain, president, meetings on Wednesday of each week at 1 p.m. at the church.

## Letter to the Editor

EDITOR OF SIERRA SUN:

My wife, Sylvia, and I have deemed it a great privilege and opportunity to have had the chance to serve in this area. We have reaped much from our relationships here. We regret in so many ways that we must leave. We could devote two columns in expressing our thanks to the many persons here for what they have done for us. We could express our thanks to this newspaper for the excellent

treatment our work here as well as many other businesses for the wonderful way they have supported the Methodist Church in Truckee.

We could list scores and scores of individuals who have given in a personal way as well as through the church. Please accept this as our personal thanks. We feel assured that you will continue this support. We would feel badly if you did not support the next minister here in the Methodist Church as much (or more) as you have supported our work.

We are attempting to clear up our debts before we leave. If you think we have forgotten you please give us a call. Also, if there are any personal articles that we have borrowed or you have borrowed

please call to clear on this matter. Sincere regards, The Rev. and Mrs. Wesley H. Osman.

MONEY  
TO  
BURN?

"Of course I can fiddle while Rome burns," Emperor Nero said. "I keep my money in Athens."

The slightly scorched Senator brushed a spark from his toga before replying. "Not very convenient."

Nero nodded sadly. "Commuting to Athens for cash has been rough on my Roman arches."

"I keep my travel funds in Bank of America Travelers

Cheques," the Senator said with a superior, soot-smudged smile. "Can't be lost, destroyed or stolen!"

"But they won't be invented for almost 2,000 years!" "B of A Travelers Cheques are always good—no matter how old they are!"

Nero shook his head in wonder. "With such brilliant men around me I don't see how my empire can ever decline and fall!"

TRAVEL CAREFREE with the protection of convenient, economical Bank of America Travelers Cheques. Immediately redeemable if lost, destroyed or stolen . . . and perfectly acceptable wherever money is used. Bank of America Travelers Cheques—the money only you can spend.

GIVE AN  
ACCOUNTING  
OF YOURSELF...

. . . and the best way is through a Bank of America checking account. You know how much you spent, where and for what. It's the best way to keep track of income tax deductions. The canceled checks are proof of expenditures and are receipts for purchases. With a B of A checking account you can pay by mail and save time.

## B of A Quiz Corner

DID YOU KNOW there is no minimum balance with a B of A Tenplan checking account? The balance need only cover the checks you write. Tenplan costs only \$1.50 for each book of ten checks.

## How Standard's research helps put jet aircraft in the stratosphere

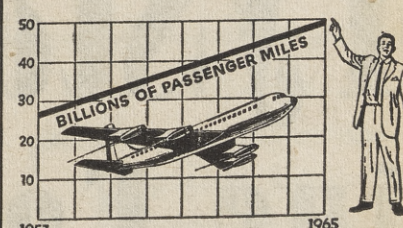

Standard's new synthetic oils help conquer withering jet heat and stratospheric cold.

TEN MILES UP WHERE THE JETS FLY there's a world few men know. Temperatures from 70 to 100 below zero make ordinary lubricants thick and sluggish on controls that must respond instantly. But within jet engines, moving parts must be protected against withering heat up to 600° Fahrenheit.

Standard has "built" synthetic oils that stand up under both extremes. In less than five years these oils will be helping jet airliners whisk you safely to your destination, farther, faster, and more comfortably than ever before. We've been working toward that day since 1942 when Standard supplied the fuel used in the first jet flight in the United States.

Progress in the West means . . .

Air travel will nearly double by 1965

Jet airliners will carry twice as many passengers at twice the speed of conventional planes. Standard is getting ready now for 1965 when U.S. civilian and military demand for jet fuel will surpass aviation gas by more than 300,000 barrels a day.

STANDARD OIL COMPANY OF CALIFORNIA  
plans ahead to serve you better

Of the 34 presidents of the United States, only two described their occupation as "soldier."

Gold placer mining in the vicinity of Fairbanks, Alaska, has exceeded \$100 million since 1902.

## NEWS NOTES FROM TAHOE

By Naomi McLane  
(Tahoe City, Box 711. Ph. 246-J)

### Pups For Sale

Somewhere I have heard that the golds and yellows and earthy colors are feminine and emotional colors and that the blues and greens are masculine and intellectual colors. Sounds like a lot of nonsense—especially when the blue of the lake cries so directly to the heart (which usually seems to be seated in the middle of the stomach, anyway). So there is that for intellectualism. It is almost warm enough for dog days which reminds me that if any one wants a purebred pup, a mixture of collie, samoyed, and perhaps French poodle he should contact Erica McLane who has 10 such for sale at 25 cents each.

### Sub-Teen On Job

Another of the sub-teens on the job is Joe Hoxie who for the third year running has a stand at which he sells pine cones, moss limbs and other forest products. You may see him daily at Pomin's Cottages in Tahoe Park where he has a very sunny looking stand.

### In Bay Area

Lillian Farr and Carol Marvin had a pleasant holiday in the bay area last week when they accompanied Bernice Giannini who wanted to give her new convertible a workout. The women visited friends in Palo Alto and Walnut Creek.

### First Time At Lake

Christopher Wayne Ferris, all of two weeks old, made his first trip to the lake this weekend with his parents, Vic and Ria Ferris, and

### L.D.S. Sunday School

Welcomes You Every Sunday  
11:15 A.M.  
TAHOE CITY  
Community Bldg.

his older brother and sister, Skipper and Joy, and his grandmother, Gladys Schultz. Chris was born June sixth in Sacramento where he weighed in at eight pounds and one ounce. He certainly seemed to thrive on his two-day visit at Tahoe, where the Ferrises were busy opening their Whispering Pines Resort. Mrs. Shultz and Joy and Skipper will spend the summer here while Vic and Ria and the baby will come up every week-end.

It has been a most busy month for the Ferris family. On June 15 Sharon Ferris married John Hamm of Oakland. The young couple had met in Fresno where Hamm was stationed at Clovis Field and where Sharon attended school. The marriage took place in that city. After a three-week trailer honeymoon part of which is being spent here at Tahoe the Hamm's will settle in Palmdale.

On May 25, Vic's father, Harry Ferris, died in Escondido at the age of 70. He had had an operation the month before and had seemed fully recovered.

### Open Pond

Willie Arnhold of Tahoma has opened his Fish Hook Farm and earnest fishermen may be seen there daily practicing with real results.

### Falls Off Pier

Major Jones and John Anderson launched their joint enterprise, the Scorchy, Saturday evening and it sounds like a real success. It is a big boat and rides beautifully. On Sunday the Jorgensen family had a ride in it and in the excitement of boats and boat tripping little 2½-year-old Scotty fell off the pier. His father, Bob Jorgensen, leaped to the rescue and of course got the little fellow out unharmed. In fact, despite the hurry of the moment, it was noted that Scotty was dog paddling.

### New Hydro

Howard Carnell put his bright red hydro in the water this week-end. He and Tom Wisdom will share the driving of it in the Gold Cup races to be held in July.

## WATER SKIING SUNNYSIDE LODGE

Two Miles South of Tahoe City on Highway 89

INSTRUCTIONS FOR BEGINNERS

8 A.M. TO 6 P.M.

Phone JU 3-3572 or JU 3-3176  
JACK FORD BOB BINGHAM

### In Hospital

We are sorry to report that Bill Williams of the telephone company is in the hospital with work to be done on his feet again and that Mrs. Ethel Joslin Vernon is under the weather with a flu bug.

### In Walnut Creek

Tony Calcagno, son of Mrs. Don French, left right after school to spend the summer with relatives in Walnut Creek. He will return for the fall semester at Tahoe-Truckee High.

### Club Bazaar

Do remember the Women's Club of Tahoe Bazaar which will be held from 10 to four this coming Saturday, June 29 at the Community Hall. A drawing for the lovely doll which has been on display at Porter's Apparel Shop will be held. Home cooked food and fancy work done by the members of the club will be the main items of the bazaar. Mrs. A. A. Snyder is chairman of the affair and has been assisted by Mesdames Stella Watson, Phil Geier, George Selkirk, Ivan Wilson, R. F. Taylor and A. B. Anderson. On July 11 the women will give an all-day picnic at the A. A. Snyder home in Lake Forest for the Girl Scouts who have been under the leadership of Mrs. Enrico Giannini and Mrs. Richard Sprague.

### Church Time Change

Rev. John L. Karutz announces a change in the time of the Bible Study and Worship services which he conducts in the afternoons at the Community Hall each Sunday. The new two o'clock hour is the Bible Study hour and at three the regular church service. "The Blessings of Christ" is the subject for this next Sunday. Karutz has a busy program lined up for the week. On Tuesday evenings a teacher training session is held at his home on Lakeview Drive. On Wednesday evenings a Bible Study class for young people is held at the Wayne Morrow home on Fairway Drive. On Fridays an adult Bible class is held in the Karutz home to which all interested are cordially invited. Each of these meetings begins at 8 p.m.

Mrs. Alice Pool, mother of Mrs. Karutz, was a recent visitor here. With her were Mr. and Mrs. Vernon McMaster and their children, Loren and Wanda, all of Jackson. Mr. and Mrs. Delbert Triggs and their daughters, Anita and Gloria, motored up from Sebastopol to visit the Karutz' in their new home also.

### Family Reunion

In another place in the Sierra Sun you will read of the biggest news of the Ivan Wilson family but they have been having a partial family reunion these last few weeks and will continue throughout the summer. Ivan has moved recently from his Lake Forest home to his new house on property adjoining his brother Ed's in Tahoe Pines. James P. Wilson of Nevada is visiting both Ed and Ivan and is doing some work for both brothers. A fourth brother, Leo D., came from Redwood City with his wife and son, George, to spend part of their summer holiday. There are in all six Wilson brothers. The remaining two are in Illinois and New York. The Wilsons had a fine family day Sunday at Hobo Hot Springs south of Carson City where they picnicked together and swam in the springs. They included Mrs. Delores Sidley a guest of the C. A. Andersons in the day's activities.

### New Facade

Have you all noticed Ben and Jean Callender's new facade on their lodge? The big windows with their bright red matchstick drapes are most attractive and the view from inside looking out is lovely.

### Rotary Doings

Attendance at Tahoe City Rotary Club meetings is on the decline since changed from night to noon meetings, but the members who, because of the nature of their business, cannot attend at noon are making up at nearby Rotary Clubs, and the summer time attendance of visiting Rotarians is increasing. Sixteen local Rotarians made up at the Brockway Club on Monday night, June 17, but four of them were back on Tuesday for the noon meeting, making a total of 22 members present with seven visiting Rotarians in attendance. There was no program, since the Tahoe Inn dining room was booked for a one o'clock dinner. Steve Korich presided.

California's long rodeo season begins at Palm Springs in February and ends late in November at Needles.

## AFFAIRS OF STATE

by Henry C. MacArthur

SACRAMENTO (CNS)— Debate has been going on for a long time concerning the value and necessity of the many interim committees set up by the state legislature, usually in the closing

hours of the session when there is insufficient time to discuss them.

This year, the legislature rang up the grand total of \$1,876,300 for interim committees, which is a sizeable sum in anyone's pocket-book, especially the taxpayer's.

It is almost certain that the future will reach more than two million when the final computations are in, as several of the committees have not as yet been allocated funds, and added to this fact is the procedure of many in-

terim committees which are set up for two years, of running out of money at the close of the first year. Then the committee chairman introduces a supplemental request for funds at the even-year budget session of the legislature.

Originally, the interim committees were set up to study, consider and hear testimony on various problems affecting the welfare of the people of the state. This follows the natural course of legislation, for few senators or assemblymen want to vote on a subject about which they know nothing.

However, some of the more predatory members of the legislature found this was a good way to live throughout the year without work-little or no trouble dreaming up subjects for study and consideration.

Then the legislature set up the joint budget committee, which has a permanent staff of workers. All of the funds for this committee are not included in the \$1,876,300 total. This committee, however, has saved more than its cost to the California taxpayer by reason of its diligent attention to state expenditures, and would save even more if the legislature took all of its recommendations.

These comments, of course, are not intended to decry the value of interim committees, even though the process of spending money on what may to some people appears useless, has increased by leaps and bounds over the past few years.

## TAHOE POSTSCRIPTS

(Telephone T.C. 316-W)

### TIMELY TIPS

by MRS. MARIE HENRY

Every house should have a seven-day supply of water and food on hand for emergency use. Canned foods on your shelves should include fruits and juices, soups, milk, instantaneous drinks, canned meats and fish, baby foods, raisins and chocolate, packaged cereals and dried and processed foods. Avoid stocking foods that would increase thirst. Two gallons of water per person should be stored (and changed often) in airtight containers.

Many Tahoeites were rudely awakened by the terrific shock of the big atomic blast at the Nevada Proving Grounds on Monday morning at 6:30 a.m. And small wonder, as it was reported to have equalled 30,000 tons of TNT. Larger than the one dropped on Hiroshima.

Truckee River is humming once again as summer residents arrive for the season. In at their lovely menage on the river are the Elfred Luhrs of Piedmont, known as a couple of first-rate fishermen in this region. On two occasions last week Mrs. Luhrs brought in two fine catches of mackinaw, the

Rather, some legislators have suggested that perhaps the legislature itself might take a good look at the interim committees, and determine their value more on the basis of need, rather than whether some senator or assemblyman should have an interim committee during the months the legislature is not in session with which to implement his salary.

The state senate, for instance, has 40 members. But it has set up 41 interim committees for the next two years at a total cost of \$691,000. This, of course, does not include the 11 joint committees on which senators as well as assemblymen will be appointed.

Many good suggestions for legislation come out of the committees but, on the other hand, there are many extensive and long-drawn out reports, containing pages and pages of testimony, which are not generally circulated.

But as long as the practice continues, this will continue to happen, and the question is whether it's worth the money or not.

first batch numbering nine, the largest some seven pounds. A day or so later she repeated with three more, all good sized. Their favorite fishing guide, Waldo Gross of Lake Forest, has been "on the shelf" for several weeks with illness, but his wife, Luda, reports on Monday that she expects him to be back in business very shortly as he is much improved.

The Luhrs entertained Mr. and Mrs. Rene Vayssie of San Francisco last week, and on Monday welcomed Granddaughters Diana and Merile Meek, daughters of the Ollie Meeks of Piedmont. Granddaughter Sherry Topping wired her family on Sunday night that she had arrived safe and sound in Hawaii where, with three other school chums she will enjoy a six-weeks visit, throwing in a bit of scholastic effort as she will attend University of Hawaii while there.

Next door to my old friends, Elizabeth Walker, the Clark Burnham family is in for the season, minus the good doctor, who will undoubtedly join them every weekend he can be spared from Piedmont. Mrs. Burnham, Bonnie, Dena and Clark, Jr., arrived several weeks ago.

Mrs. H. L. Youman, her son, Art McKeever, and Ray Ferguson, and son, Louis, all of Roseville, now vacationing at McKeever's Donner Lake home, visited the Jeannette Mitchell home on Sunday. Other guests were the Sandy Saunders of Sparks and Senator Ken Johnson of Carson City.

The many friends of the Jake Stuart family of Lake Forest will be happy to learn of the engagement, just announced on Monday, of their son, Jay, to Miss Sue Knoefler, daughter of Mr. and Mrs. D. A. Knoefler, now living at Turlock State Park near La Grange. The Knoeflers lived for some years at the Donner Lake State Park and it was while attending school at Truckee that the romance began. Miss Knoefler is the houseguest of the Stuarts this week.

Jay attended Sierra College and has just completed his pre-pharmacy two year-year course there. He plans to enter college this fall to complete his education. At present during the summer months he is driving truck for the Henrikson brothers of Tahoe City.

Guests at the Stuart home this week also are Mr. and Mrs. J. B. Lewis of Manchester, Okla., Mrs. Lewis being Mrs. Stuart's sister. On Sunday the Stuarts and family, the Lewises, and the Lincoln Dempseys and children motored up to Richardson's Lake for a day of fishing. They came home with a fine catch of trout, the largest of which ranged around 17 and 18 inches.

The Jake Stuarts returned the first of last week from a leisurely vacation motor trip through Oregon and northern California.

Had a wonderful letter this week from Mrs. Ruth Droste who is now residing in Los Angeles. She reports she is enjoying wonderful health. Only worry she has at present is her 81-year-old mother who has been taken to the hospital in Ohio. She requests that Tahoe City residents who remember her old friend, Mary Chisholm, who was her houseguest for eight months here and made many friends during her stay, write Mary at Veterans' Hospital, Long Beach, as she is gravely ill, and would greatly appreciate cards or letters to cheer her on her lonely way. She is gradually getting better, but the hours are long, in spite of a gallant fighting spirit. Good luck, Mary.

The world's record catch of channel catfish was made May 18, 1949 in the James River, South Dakota—55 pounds, 50 inches long.

It has been estimated that 45 out of every 100 persons have settled in the San Francisco Bay region since 1940.

**FRED BAKER HEADS BROCKWAY ROTARY**

KINGS BEACH—Monday night being the time for the annual installation of officers of the Brockway Rotary Club and ladies' night, President Pappy Brooks called for introduction of visitors and guests were noted present from San Francisco, Petaluma, South Lake Tahoe, and Tahoe City.

After the introduction he turned the meeting over to the incoming president, Fred Baker. Baker presented his officers for the coming year who are: Don Barkhurst, vice president; E. J. Stokes, secretary; Mex Springer, treasurer; H. E. Brooks, Allen Sklar, Bob Howell, directors and Wiley Jones, sergeant-at-arms.

Jones presented a film of Tahiti which was furnished through the courtesy of Kim Bobisch. To the amazement of all present the dancers proved to be none other than four of our members namely, Earl Gray, Fred Schultz, Roy Porath and Wiley Jones.

Jimmy Chastain, one of our new members, entertained with several songs accompanying himself on the guitar.

After the program President Brooks was decorated with leis. He was also presented his past-presidents' pin and welcomed into the ranks of the "has-beens."

**Fleming Is Winner After Annual Tahoe Golf Meet**

TAHOE CITY—Veteran Professional Pete Fleming of Hot Springs, Ark., overcame a bad final round Sunday to defeat young Tony Lema of Elko, Nev., on the third extra hole to win pro honors in the 10th annual Lake Tahoe Invitational golf tournament.

Fleming held a 10-stroke lead over Lema going into Sunday's final round, but faded with a 78 as the Nevadan fired a par 68. They ended in a tie at 202 for the 54 holes.

Art Warren and Henry Seiler of the Green Hills Country Club, Millbrae, won the best-ball title in the amateur division. Their score was 175. Four strokes back in a tie for second were the teams of Marty Wech, Millbrae and Nelson Cullenward, Los Altos, and the father-son pairing of Carl and Parky Bechdolt of Tahoe City.

Mrs. Peggy Lester and Mrs. Viola Morse of Palm Springs won the ladies' best-ball division title with a 207. Mrs. Jim Blankenship and Mrs. Howard Capps of Las Vegas were two strokes behind in second.

**Hotel Men Meet**

BROCKWAY—A regional luncheon meeting of the California State Hotel Association will be held at Brockway Hot Springs Hotel, Brockway, Lake Tahoe, Thursday, June 27.

Hotel operators in the Tahoe area as well as those in Sacramento have been invited to attend.

Various matters affecting hotel operation will be discussed.

**Fire Works Rules**

Continued from Page One

works. (d) Transport fireworks, except as a public carrier.

The application to the local governing agency to do any of the above shall be made in writing at least 10 days prior to the use of the fireworks. This required written permit under this section should not be confused with the license that is granted by the state fire marshal to handle the fireworks.

The sale of fireworks of any description is prohibited except for the period from 12 noon June 28 to 12 noon July 6 of any year.

Section 12755 requires written permission to discharge any fireworks in forest, fallow, grass or brush covered land, Stone pointed out. These permits will be issued with restrictions within the town of Truckee.

Permits for use of fireworks on land outside of Truckee will not be given due to the present extreme fire danger, he added.

The violation of any of the above rules is a misdemeanor punishable by a fine of not less than \$500 nor more than \$1000 or by imprisonment in the county jail for not more than one year or by both such fine and imprisonment, Stone said.

**Swarm Of Bees Halts Main Street Traffic Here**

Bees swarming above Commercial Row on Highway 40 Wednesday afternoon, caused businessmen, pedestrians and motorists to dodge and swat at the flying horde.

**Pleasant Hill Billies To Sponsor Old Time Dance**

The Pleasant Hill Billies will sponsor a special square dance Saturday evening, June 29, in the Veterans Building. Advertised as a "knot-head" dance, the host club hopes to attract a large number of squares from the bay area. Ray Vierra and Bill Clinton will be featured callers.

"Knot-head" are units of four couples traveling from one club at least one hundred miles to a square dance.

Admission price for this dance will be \$1.50 per couple and all square dancers are invited to attend.

The Donner Dancers will be in charge of the soft drink concession.

President Darol McGihon of the local group announces that the Donner Dancers will hold their regular weekly party tomorrow night at the Veterans Hall. He plans an informal instruction class at 7 p.m. preceding the party. There will be no charge for either the instruction or the dance. Visitors are welcome.

In South—Mrs. Walter Haug and Miss Ann Haug of Sugar Bowl have been visiting Mrs. Haug's mother in Los Angeles.

"YOU MUST SAVE MY PEOPLE," PLEADED THE WARRIOR, "FROM THE DEVIL-MAN WHO CAN TRANSFORM INTO A PANTHER!"

"WHEN THE DEVIL FIRST CAME TO OUR VILLAGE," RELATED THE NATIVE, "HE APPEARED AS A WHITE HUNTER-- WEARY FROM TRAVELLING--"

"HE NEEDED SLEEP, SO WE OFFERED HIM THE GUEST HUT. LATER, A WOMAN THOUGHT TO BRING HIM FOOD--"

"UNBELIEVABLY, HOWEVER, SHE WAS ATTACKED BY A SNARLING, SLASHING BLACK PANTHER..."

"OUR WARRIORS QUICKLY GATHERED WEAPONS, BUT THEY FOUND NO PANTHER IN THE HUT-- THE DEVIL HAD CHANGED BACK TO A MAN!!"

PICK VANBUREN JOHN CELARDO

"HIS CURSE REMAINED. PEOPLE HAVE BEEN CLAWED TO DEATH, OTHERS HAVE DISAPPEARED-- AND ALWAYS, THE TERROR THAT IS THE PANTHER-MAN HOVERS OVER US..."

Featuring **BATHLESS GROGGINS**

by **RAEBURN VAN BUREN**

BATHLESS IS TRYING TO PROVE THAT HE REALLY HAS A VISITOR-- HIS CONSCIENCE, MR. PING.

I ADMITS THAT IT DOES LOOK KIND O' LOONY, DOC-- BUT HOW DOES YOU EXPECT ME T'BRING ME BLARSTED CONSCIENCE T' LIFE?

SO YOU INSIST THAT YOUR, AH-- FRIEND, MR. PING, IS SEATED IN THAT CHAIR, INVISIBLE TO ALL EXCEPT YOU?

"I WOULD RECOMMEND THAT YOUR FATHER BE PLACED UNDER OBSERVATION AT THE MENTAL HOSPITAL!"

NO!

IF HE'S SICK, IT'S OUR JOB TO TAKE CARE OF HIM-- RIGHT HERE!

I'M SORRY, LADIES, I SHALL HAVE TO REPORT THIS CASE. EITHER YOUR FATHER GOES WILLINGLY OR--

OR YOU TAKES ME BY FORCE?

PRECISELY!

IT'S ALL YOUR FAULT, BUSTER! WHAT I OUGHTER DO IS BASH YOUR INVISIBLE HEAD IN!

IT WOULD BE LIKE (CHUCKLE) PUNCHING YOURSELF IN THE NOSE, BATHLESS. BUT-- THERE IS STILL HOPE LEFT!

SPILL IT!!

AFTER ALL, YOU'RE NOT THE ONLY MAN IN THE WORLD WITH A CONSCIENCE. YOUR DOCTOR, FOR EXAMPLE-- HE HAS ONE, TOO. I KNOW HIM INTIMATELY!

YOU DO?

HE'S NOT AN ESPECIALLY LOVABLE TYPE-- A BIT ON THE VULGAR, NOISY SIDE, BUT GOOD FOR A FEW CHUCKLES NOW AND THEN!

THEN (CHUCKLE) WHAT'RE WE WAITIN' FOR?

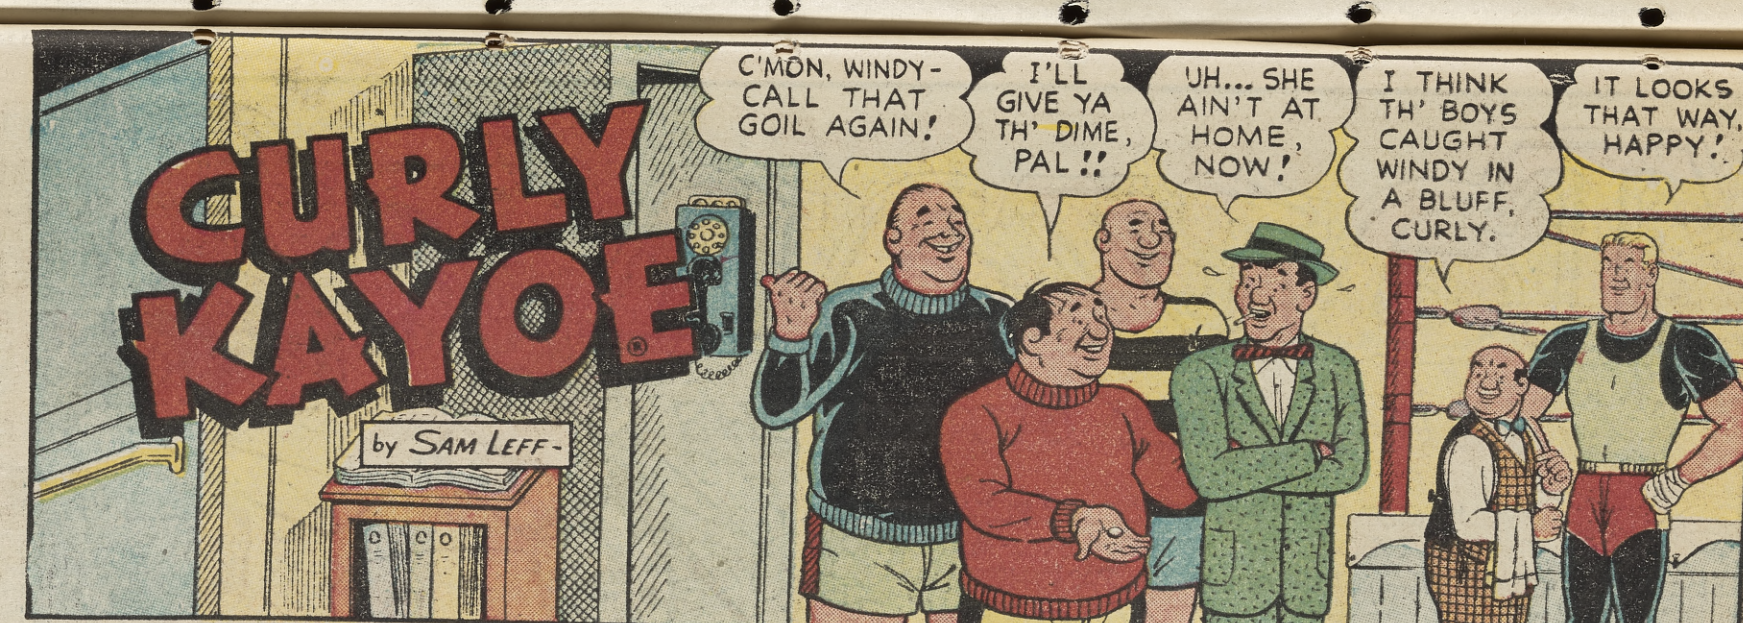

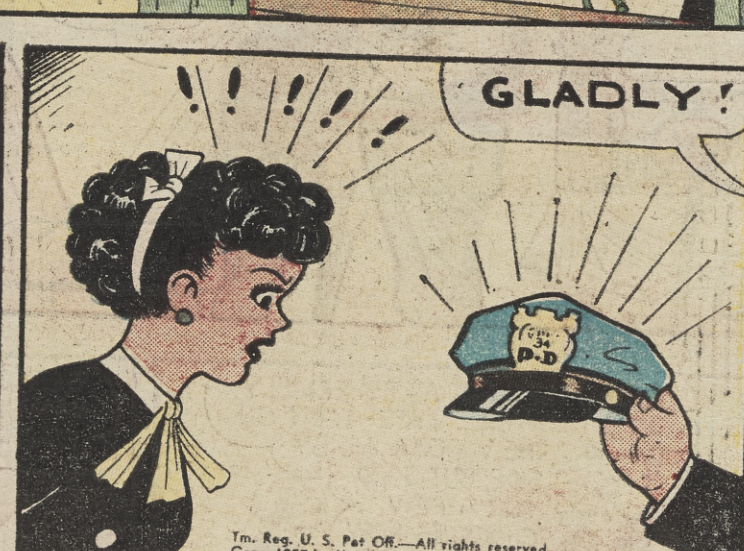

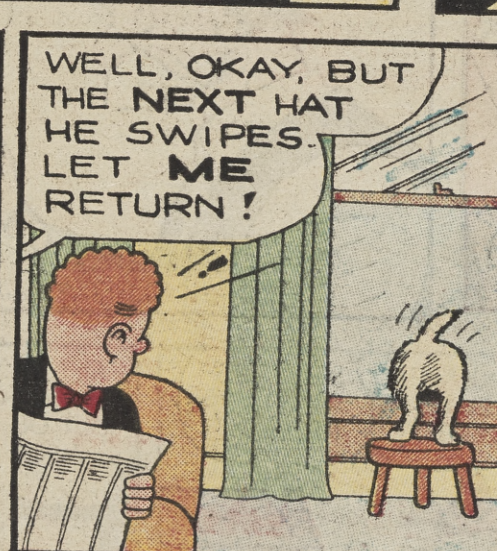

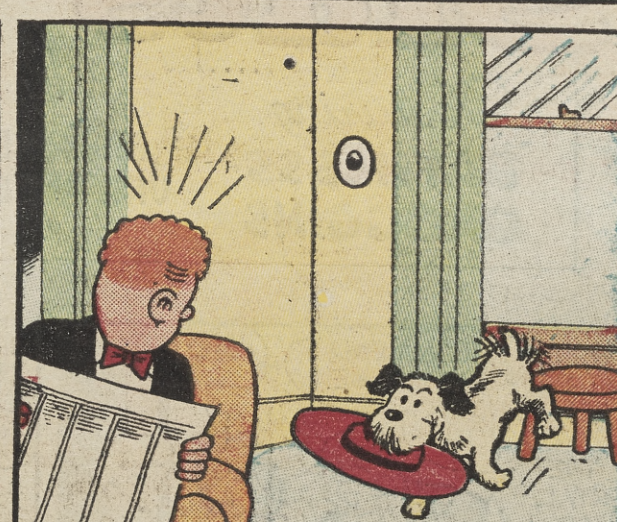

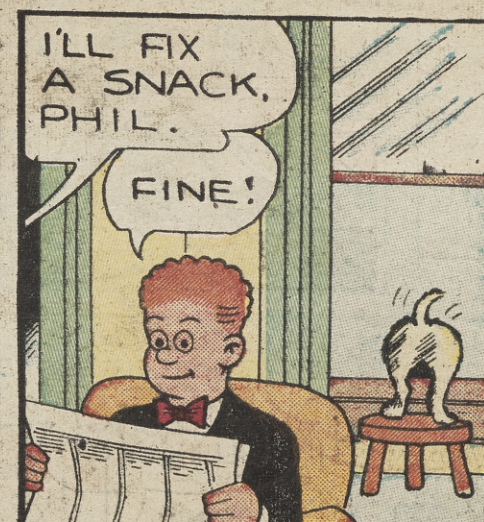

LEAD THE WAY, MY FRIEND!

M-- MAYBE HE IS (CHOKES) OUT OF HIS MIND!

THERE HE GOES-- WITH AN ARMFUL OF (SOB) NOTHING!

TO BE CONTINUED
